

# HISTORY KS3: Year 7

## Stuart England

Explain how Britain changed under the rule of James I and Charles I. Describe the reasons for why Britain descended into Civil War and the consequences this had for the ruling of our country.

SUMMER  
3:2

## 1558 to 1603 Elizabethan England

You will describe the challenges faced by Elizabeth I in terms of marriage and religious changes. Everyday life of the working class will also be examined. The succession of James I will be analysed as well as the start and consequences of the Civil War

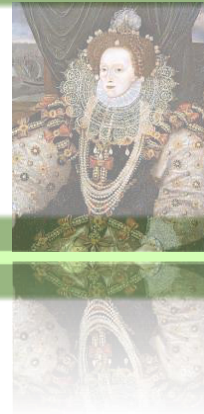

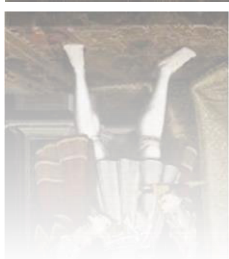

SUMMER  
3:1

## Medieval into Tudor England

You will describe the causes/cures and consequences of the Black Death upon England and how that links to the peasants revolt. You will then examine the end of the War of the Roses and the reign of Henry VIII

SPRING  
2:2

1086-1485 – Medieval Life  
Explain the struggle between Church and Crown, crusades and the role of women in Medieval society and what was happening in Asia will also be explored.

SPRING  
2:1

## 1066 to 1086 – Norman conquest

You will describe the key events of 1066. You will then explain how William conquered and controlled England by describing key features of control such as the Feudal System, castles, the Domesday Book and the Harrying of the North

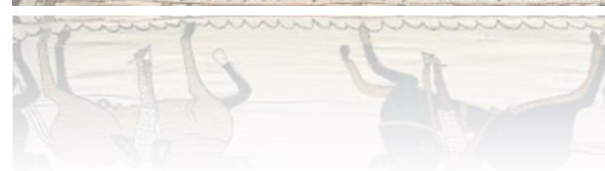

AUTUMN  
1:2

## Pre-1066 – Romans & Celts

You will explain what Britain was like before 1066. You will examine the impact the Celts, Romans, Saxons and Vikings had on the culture and landscape of Britain

AUTUMN  
1:1
